

1966

Dear Homeowner,

Within the next few days, a member of the Executive of your Queenswood Homeowners Association will invite you to become an active Member. The membership fee is \$3.00 for the calendar year.

The Association was formed in March 1962, and since that time has been instrumental in the following:

- reducing of assessments on all your properties
- gaining of fire protection,
- removal of the building shells,
- street speed limits,
- Centennial Grant for park land development,
- improving the entrance and approach road,
- paving of the roads and cleaning of the ditches,
- re-instating the water supply in case of break-down,
- reporting to the Township on snow-plowing,
- an annual Christmas party for the children,
- a fireworks display each year,
- several adult parties and dances,
- weekly bowling and skating rink.

The future of this area depends on the attitude of all our Homeowners. Some of the Association's projects require financing, others require your time and enthusiasm. One is no more dispensable than the other. The whole purpose of the Homeowner's Association is to build a community in which we can all feel equal pride, and this can be accomplished only by working together.

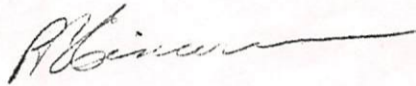

Non members are not excluded from general meetings, however, they are not allowed a vote on any motion.
